About Us:

Comprehensive Security and Event Services

With over 30 years of combined experience in both corporate security and events, we are a leading name in today's market. We take pride in supporting a diverse range of high-profile clients, across varied work places.

Our highly skilled team offers unmatched expertise from security assessment to top sporting events, with meticulous planning and stakeholder coordination. Recognised by emergency services and council authorities, we regularly collaborate with safety advisory groups on behalf of our clients.

Our People:

Our professional, dedicated, and highly experienced team holds recognised qualifications and accreditations in security, crowd management, health and safety, and safeguarding.

Our Mission:

Our mission is to deliver comprehensive event management, security, and production consultancy services, tailored to meet the unique needs of our diverse range of clients.

Security & Event Solutions

As a security provider, we hold the Security Industry Authority quality status of 'Approved Contractor'. All our SIA licensed officers undergo individual vetting and screening background checks to the BS7858 standard and are counter-terrorism awareness and first aid trained as standard. We carefully select and monitor our staff for each assignment – ensuring you are always provided with competent, effective and professional staff.

Gareth Gwynne-Smith MSyl, M-ISRM Managing Director

Gareth brings over 30 years of experience in the security and events industries. Under his leadership, SES has become a market leader, known for delivering consistently high-quality services. He ensures that the company's core values of professionalism and integrity are upheld at every level.
